Purpose and Background

The purpose of the program is to assist low and moderate-income families with the purchase of affordable housing in the City of Red Wing. This program will provide financial assistance to households who have income at or below 80% of the area median income. This program's intention is to empower Red Wing households who are on the cusp of homeownership but need financial assistance to secure a home loan from a lender. Eligible households can receive up to \$20,000 for homebuyer assistance based on need.

The homebuyer assistance will act as a soft second loan at zero percent interest. This means that the borrower will not need to make monthly payments on this loan. The loan is not forgivable. It must be paid back by the homeowner upon the sale of the house, vacating the house as a primary residence, or at the expiration of the 30-year term.

The program is effective April 2010 and will continue until the \$100,000 allocation of funds is dispersed. \$40,000 of the \$100,000 is reserved for applicants who will receive loans under the Minnesota Community Participation Program (MCP) or the Minnesota Mortgage Program (MMP), both of which are Minnesota Housing Finance Agency (MHFA) First-time Home Buyers Programs. The HRA reserves the right to reassign the \$40,000, at any time, to the overall allocation.

Program is subject to change.

Eligibility Criteria

A. Maximum Income:

To be eligible for the Red Wing HRA Homebuyer Assistance Program, the total household income must be at or below the income limits* based on household size:

3	\$49,950
4	\$55,500
5	\$59,950

*80% income limits are determined by HUD and are subject to change.

All household members over the age of 18 will have their income reviewed to determine *household* eligibility even if all members do not sign the mortgage.
